

Date: 25<sup>th</sup> August, 2022.

**Subject: COVID Protocols to be Followed as per NCEMA**  
(National Emergency Crisis and Disasters Management Authority).

Dear Parents,

At Crown Private School, the health and safety of our students and staff is of paramount importance and hence we would like to share the **COVID Protocols** that are to be followed in the school for the new academic year 2022-2023 as per the instructions given by the NCEMA.

Age	Comments
Under 12 Years (PRE-KG to Grade 7)	PCR is <b>not</b> required
12 Years and Above (Grade 8 to Grade 11)	Students <b>MUST</b> do a <b>PCR TEST</b> only <b>ONCE</b> and submit the report on the first day of school (No tests are required after that)
Parents / Visitors	<ul style="list-style-type: none"><li>• Permitted <b>ONLY</b> if the Alhosn App shows a <b>GREEN</b> status.</li><li>• Face masks required when in school premises.</li></ul>

- A 96 hours valid **PCR test report** needs to be shared with the **school nurse & class teacher via Class Dojo or E-mail ([priva.cr@cpschool.uk](mailto:priva.cr@cpschool.uk)) 24 hours before coming to school** (Applicable for students aged 12 and above). A hard copy of the report must be presented at the time of arrival and later submitted to the class teacher.
- Students **will NOT be allowed** to attend class or enter school premises if a **valid PCR is not submitted on the first day of school.** (Applicable for students aged 12 and above)
- Inform the **School Nurse and the Class Teacher**, if there are **any positive cases at home** or if you have been **in direct contact** with any cases.
- Please **DO NOT** send the child to school **if he/she is unwell or has any FLU like symptoms.**
- Please see that students carry **2 extra masks** (in-case they get damaged or dirty) **and a small bottle of personal sanitizer** to school.

Please read the COVID protocols as mentioned above **carefully** and **follow them strictly** to see that everyone in school remains healthy. **It is our social responsibility to keep our children safe, happy and healthy always.**

Yours Sincerely,  
Dr. Kishor Pillai  
Director/Principal
